1. HOW TO PRACTICE IN A GROUP (Public)

Find and join public group practice sessions

1. Browse sessions that others set up. They're open to all members.
2. Click **RSVP** for a session you want to join, then click **Yes** or **Maybe**. It will be added to your WMA Practice calendar. You'll get emailed reminders and updates.
3. View and manage session details at **My Stuff > My Scheduled Practices**. When the time comes, join your practice!

Or, create your own public group practice session:

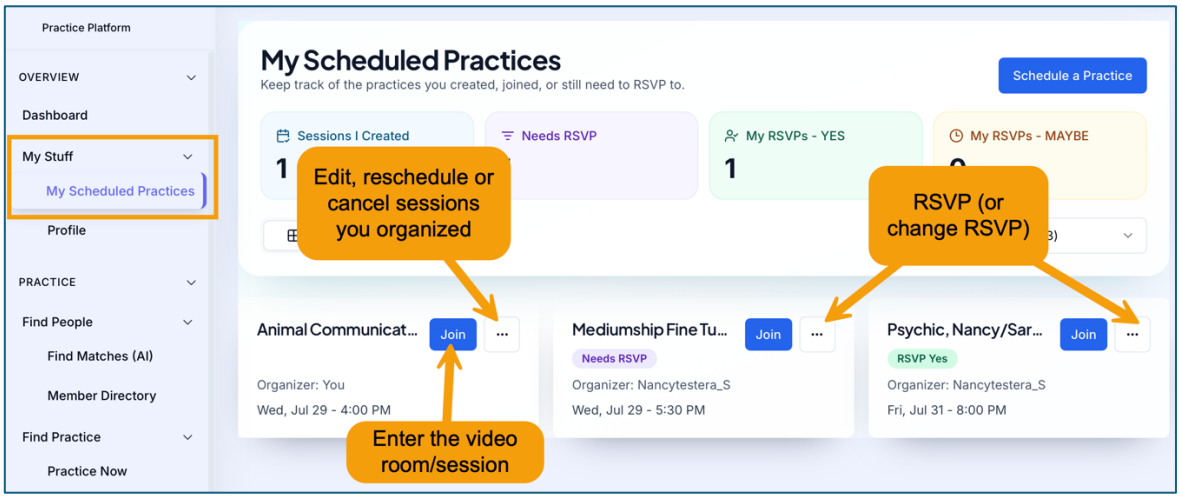

Go to: **Set Up Practice > Schedule a Practice**

1. Fill in the form, setting Session Access to **PUBLIC.** Put as much detail as possible (type of readings, development level, etc.) so people can decide if it's right for them.
2. Now people can find your session on **Find Practice > Scheduled Practices**. You'll get emails to know who RSVP'd.
3. View and manage session details at **My Stuff > My Scheduled Practices**. When the time comes, join your practice!

2. HOW TO FIND AND JOIN YOUR RSVP'D SESSIONS

TIP: This page is super important!

View and manage all your sessions here, such as change RSPV, reschedule, cancel, etc.

Sessions are listed here when:

- You schedule a session (public or private)
- You RSVP *Yes* or *Maybe* for someone else's session (public or private)

TIP #1

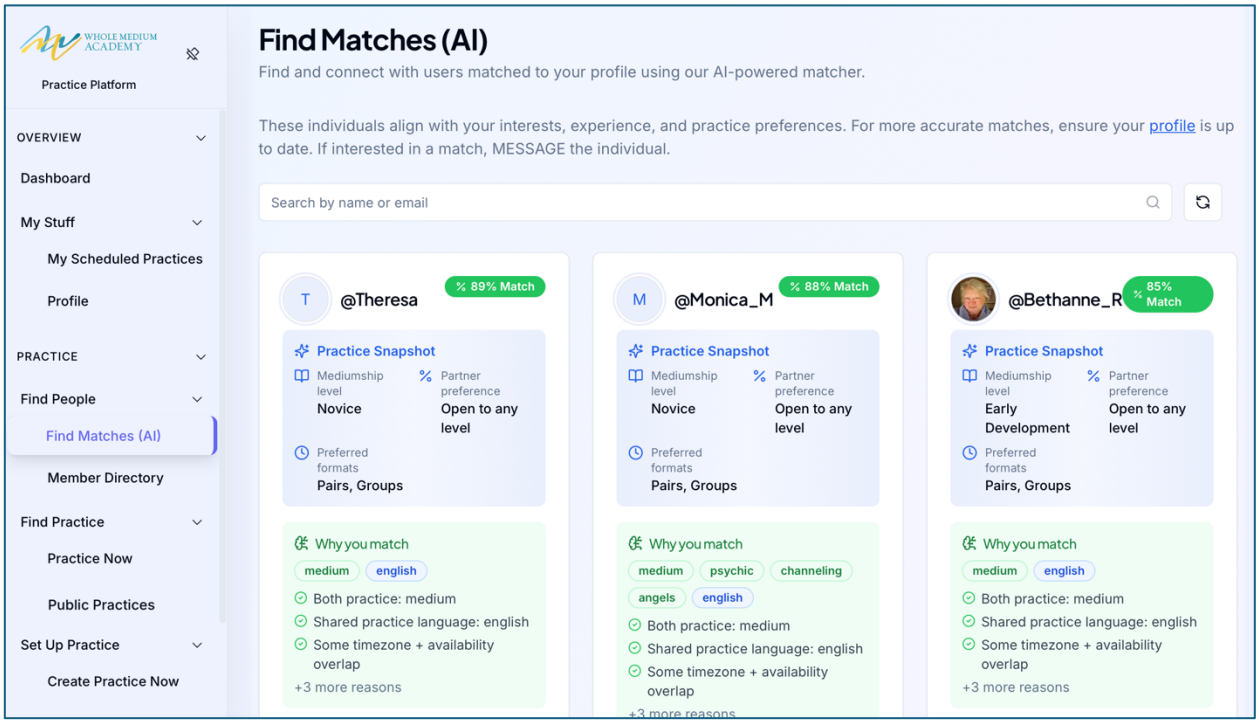

Don't wait to join at the last minute from the public practices page — listings disappear shortly after sessions begin.

TIP #2

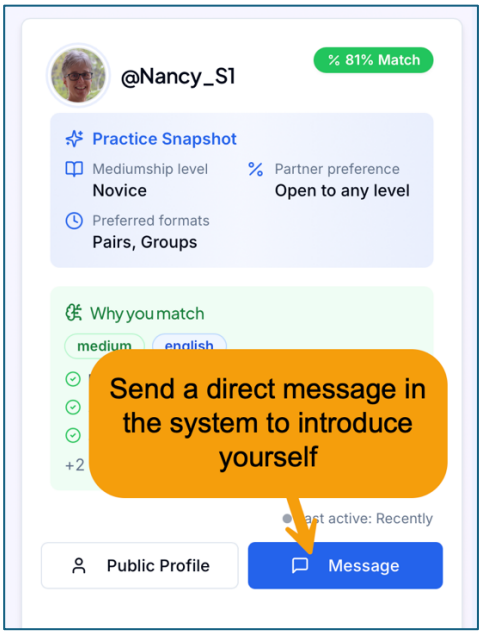

RSVP "Yes" or "Maybe" so you can easily join your session from this page (My Scheduled Practices).

3. HOW TO DISCOVER NEW PEOPLE

1. Go to this page to start the system's A.I. matching. It doesn't create sessions, but it helps you discover potential partners. Browse the results.

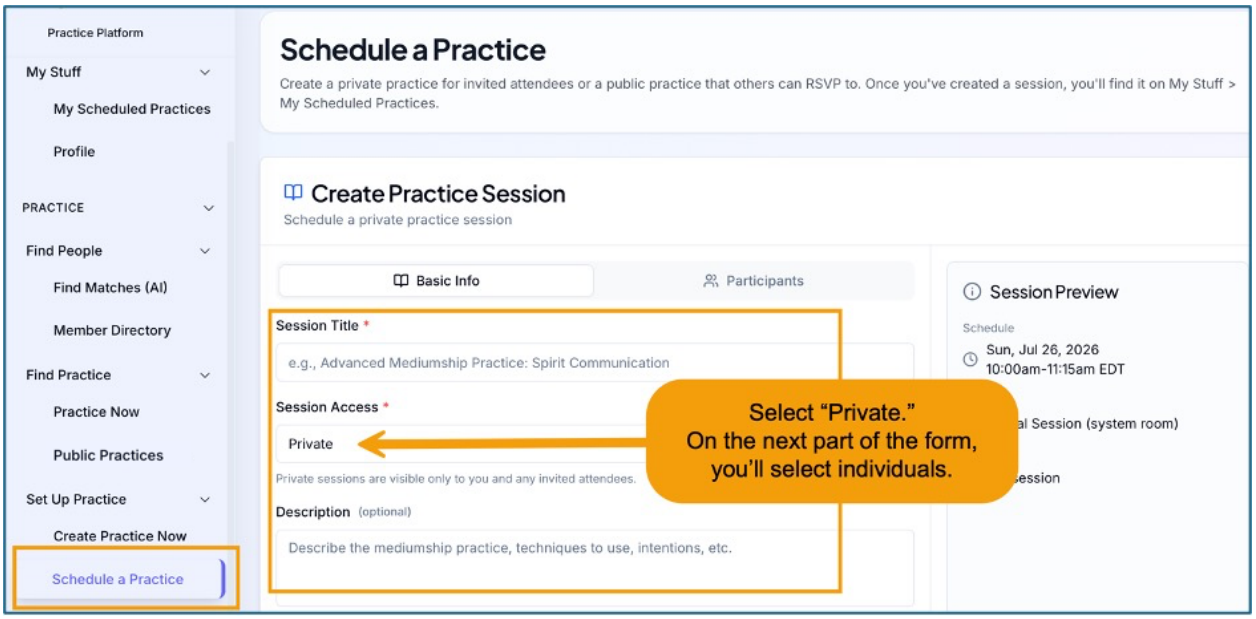

2. If you're interested in practicing with someone, click **Message** and introduce yourself.
3. If they're interested too, work out the logistics through messaging.
4. Then schedule a private practice session (See section 3, "You Want to Invite Specific People to a Session").

TIP: For best A.I. results, be sure YOUR profile settings are accurate.

2. Select the name(s) of the people you want to invite.
3. Invited people will get an email invitation to RSVP. You'll get emails for their RSVPs.
4. View and manage session details at **My Stuff > My Scheduled Practices**. When the time comes, join your practice!

5. HOW TO PRACTICE "RIGHT NOW" (Pairs Only)

Post that you're available "right now"

1. Be sure your email and text notifications are ON! (And put your phone's sound to ON.)
2. Click **Create Practice** and fill in the brief form. The system will send alerts to members who want to be notified.
3. You'll get an alert when someone is waiting for you. Then join the session and practice! (If no one joins, your post expires after 15 minutes.)

Or, respond when other people are available now:

1. Keep those same notifications ON. Keep your phone sound ON, too! When someone posts, you'll get an email and text:

> Nancy_S is available to practice now, Medium reading in Spanish. Their development level is Just Starting/Exploring. Join: [click URL

2. If you want to do this practice, join right away. TIP: Only the first person to respond gets to join.

FAQ

What is AcademyNC?

AcademyNC is the technology platform that WMA Practice runs on.

WMA and the AcademyNC team have worked closely together to customize WMA Practice specifically for developing mediums and other intuitives.

Who Can Join *WMA Practice*?

Right now, we're in the pre-launch phase, welcoming all WMA students and graduates.

Once we go live, the platform will be open to both WMA students and non-WMA students and remain free for a period of time.

Then, it will be available as a very affordable monthly subscription; we're still determining the pricing structures.

Are There Feedback Forms for Practice Partners?

No, we encourage you to give your feedback directly, always from a place of support.

If you have a concern about someone's ethics or reliability, or your safety, use the form that displays after your session to confidentially let us know. Or, email us at **support@wmapractice.com** .
